### Individual LINK Comprehensive Health Insurance Policy

**Benefit Plan:** LINK Silver Managed Care

**Policy Effective Date:** January 1, 2018

**Type of Coverage:** Individual/Family

**Mode of Payment:** Monthly

**Benefit Period:** Calendar Year

**Premium Due Date:** The first day of each month

**THE POLICY PROVIDES A NETWORK THROUGH WHICH INSURED'S CAN RECEIVE SERVICES FROM IN-NETWORK PROVIDERS. IT IS THE INSURED'S RESPONSIBILITY FOR PAYMENT OF BILLED CHARGES BEYOND THE IN-NETWORK CHARGES WHEN THE INSURED USES THE SERVICES OF AN OUT-OF-NETWORK PROVIDER.**

- (1) **Read Your Policy Carefully** — This outline of coverage provides a very brief description of the important features of your policy. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and your insurance company. It is, therefore, important that you READ YOUR POLICY CAREFULLY.
- (2) **Comprehensive Health Insurance Coverage** — Policies of this category are designed to provide to persons insured, coverage for major hospital, medical, and surgical expenses incurred as a result of a covered accident or sickness. Coverage is provided for daily hospital room and board, miscellaneous hospital services, surgical services, anesthesia services, in-hospital medical services, and out of hospital care, subject to any deductibles, co-payment provisions, or other limitations which may be set forth in the policy. *Basic* hospital or *basic* medical insurance coverage is not provided.
- (3) **Description of Benefits** – The policy provides Comprehensive Health Preferred Provider Organization (PPO) Insurance coverage. You have the option to receive services from a Preferred Provider or a Non-Preferred Provider. Generally, benefits are paid at a higher level when a Preferred Provider is used. The Outline of Coverage reflects the benefits payable when services for Covered Benefits are provided by a Preferred Provider or a Non-Preferred Provider. The Outline of Coverage and the Covered Benefits provided under the Policy are indicated below in this section.
- (4) **\*Out-of-Network Maximum** – Be aware that your actual costs for services provided by an out-of-network provider may exceed this policy's maximum out-of-pocket for out-of-network services because out-of-network providers can bill you for the difference between the amount charged by the provider and the amount allowed by the insurance company. Amounts in excess of the allowed amount are not counted toward the out-of-network deductible or maximum out-of-pocket.
